

ResCult Project

First User Forum (Venice, Italy)

29 November 2017

Venue

PALAZZO BADOER – University Iuav of Venice
Calle della Lacca 2468 - 30125 S. Polo, Venezia

Objectives:

The purpose of the User Forum is to gather together different stakeholders operating in the field of Cultural Heritage Protection and Emergency Management, with the aim to discuss the *conceptual model* of the **European Interoperable Database (EID)** that will be implemented in RESCULT project. Opinions, feedbacks and suggestions on how to refine the EID will be collected during the Forum by attending experts.

Project Partners

SITI, Istituto Superiore sui Sistemi Territoriali per l'Innovazione (RESCULT project coordinator)
UNISDR, United Nation Office for Disaster Risk Reduction
POLITO, Polytechnic of Turin
CORILA, Consortium for managing research activities in the Venice Lagoon system
SDIS 04, Service Départemental d'Incendie et de Secours, Département des Alpes de Haute Provence
TUB, Technical University of Berlin
IUAV, University Iuav of Venice (affiliated partner)

Main Contact

Massimo Migliorini
Coordinator of RESCULT Project

Agenda

The User Forum embraces four sessions:

- 1) **Session 1: The RESCULT Project and the European Interoperable Database**
Aim: introduction of the RESCULT project and of the EID to attending experts
Session Type: Front line
- 2) **Session 2: The EID Conceptual Model**
Aim: overview on the conceptual model of the EID and first feedbacks gathering
Session Type: Interactive (10 min presentations and 10 min feedbacks, for three times)
- 3) **Session 3: Emergency Management & Cultural Heritage Protection Scenarios**
Aim: experts will be divided in working groups, each group will be invited to discuss an emergency management scenario involving cultural heritage, and to spot needed/useful data to support preparation and intervention procedures.
Session Type: Interactive (Working Groups + Round Table)
- 4) **Session 4: Wrap-up and Closing Remarks**
Aim: summary of the feedbacks gained by experts and closing remarks
Session Type: Front line
